

BEAUTIFULLY HAUNTED

Before You Go

A photograph of a cemetery path. The path is paved with cobblestones and leads into the distance, flanked by tall, bare trees. Tombstones are visible on both sides of the path. The atmosphere is misty and somber.

“

Not to be dramatic
but I went on one
of your trips last
weekend and
it was the best day
of my life.

How does a surprise road trip work?

Pick a Date

We recommend doing the trip within **6 months** of receiving this road trip. Pay close attention to the 'When To Go' within the 'Navigating the Road' section of this booklet.

Get Ready

Your day ahead! Without giving away too many details.

We often include a variety of recommendations at each stop. You do not have to go to all of them, pick and choose what works best for you and your travel mates. If you can't get through all of the stops during the day - come back and explore them at a later date!
