

COUNTRY FARMS & FURRY FRIENDS

Before You Go

A large, weathered red barn with a stone base stands in the background. In the foreground, there is a lush green field with various vintage farm equipment, including tractors and plows, scattered across it. The sky is overcast with grey clouds. The text is overlaid in a white, serif font.

Not to be dramatic
but I went on one
of your trips last
weekend and
it was the best day
of my life.

Land Acknowledgement

We acknowledge that the land you will be travelling on is the traditional unsundered territory of the Mississaugas of the Credit First Nation peoples.

Guess Where Trips believes land acknowledgments are an important way of recognizing and expressing gratitude to the First Nations, Inuit or Métis land that was stolen from them. Please respect this land.

☆ TRAVEL TIP: We recommend quite a few rural stops on this trip that have limited washroom access. Be sure to take advantage of the washrooms available at the first and third stops. There are portable washrooms available at the fourth stop.
