

TREASURE COAST EXPLORER

Before You Go

A background image of a coastal scene. In the foreground, there are dark, jagged rocks. The ocean is in the middle ground, with white foam from waves crashing against the shore. The sky is overcast with grey clouds. The overall tone is moody and atmospheric.

Spent the best day
exploring a little bit of
everything along the
coast. I'm now convinced
I found the best coffee
shop in the whole wide
world.

How does a surprise road trip work?

Pick a Date

We recommend doing the trip within **6 months** of receiving this road trip. Pay close attention to the 'When To Go' within the 'Navigating the Road' section of this booklet.

Get Ready

Pack Your Bag

Hit the Road!

Don't open the first envelope until you're ready to leave. Once you're finished at the first stop, you can open the second envelope. Four stops are included within your road trip.

Your day ahead! Without giving away too many details.

We often include a variety of recommendations at each stop. You do not have to go to all of them, pick and choose what works best for you and your travel mates. If you can't get through all of the stops during the day - come back and explore them at a later date!

Land Acknowledgement

We recognize that some of the stops listed in this trip date back to a time when not everyone was free.

As we acknowledge slavery and its impact on our history, we recognize the profound inequalities and systemic racism it has bred. This horrific institution dehumanized millions, leaving lasting social and economic consequences. Confronting these truths allows us to reflect, foster dialogue, and work towards a more just society. As you travel, we encourage you to inquire about this history, and ask sites to prominently display their history and its ongoing impact, ensuring it is neither overlooked nor diminished.

Frequently Asked Questions

How much will the stops cost?

First Stop: No fee

Second Stop: The main option is free.

Third Stop: No fee

Fourth Stop: An optional attraction for \$8-\$18/person. We've recommended quite a few other free alternatives.

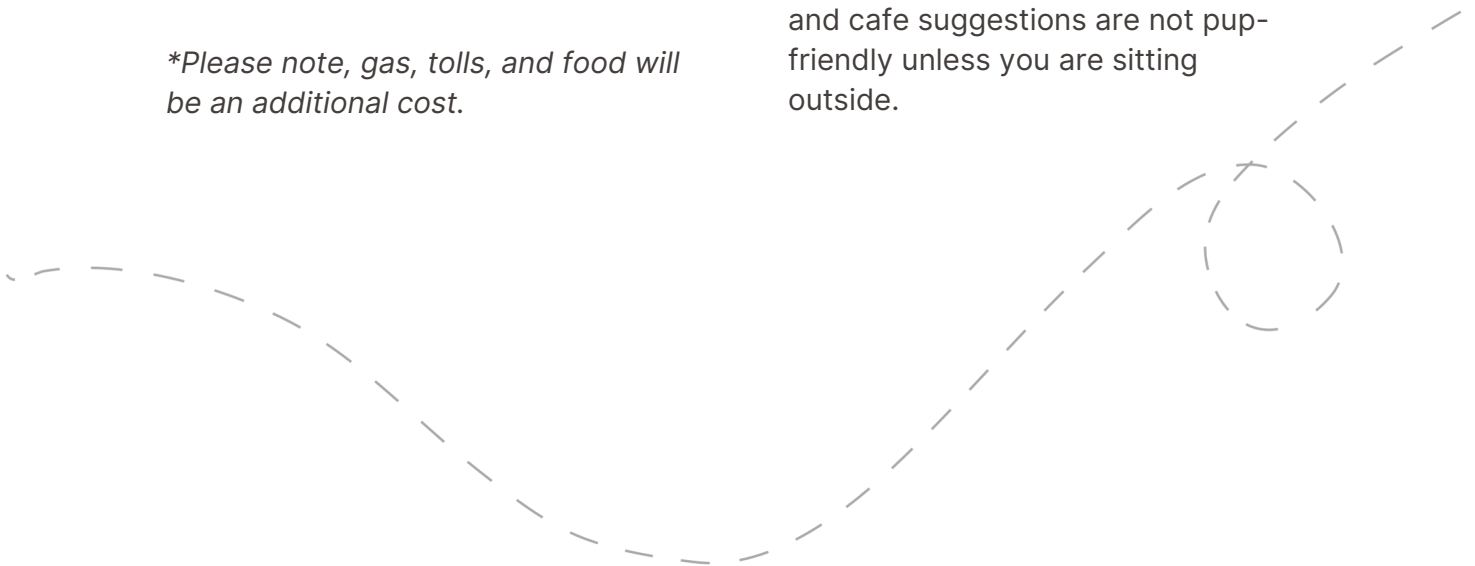

**Please note, gas, tolls, and food will be an additional cost.*

When should we leave?

We recommend leaving between 8:00 am - 8:30 am. The later you leave, the less time you may have to complete all of the stops.

Can I bring my dog?

Bringing your dog will limit you from experiencing a handful of our suggestions. Most of the restaurants and cafe suggestions are not pup-friendly unless you are sitting outside.

How long will the total trip take?

See the approximate **round-trip driving distances/times** below. These are driving distances only and do not factor in time spent at stops.

From **Downtown Miami***:

4 hours and 37 minutes / 237 miles

From **Florida City***:

5 hours and 24 minutes / 305 miles

From **Fort Lauderdale:**

3 hours and 45 minutes / 187 miles

From **West Palm Beach:**

2 hours and 30 minutes / 102 miles

From **Orlando***:

5 hours and 30 minutes / 326 miles

**We recommend booking an overnight hotel if the round-trip driving distance is greater than 4 hours round-trip.*

How many people can I bring with me?

We recommended **bringing up to 5 people** on your surprise road trip.

If you're bringing a larger group, we highly recommend having one person in charge of booking reservations at the restaurants and attractions in advance. A digital itinerary can be found in your confirmation email or on **page 5** of this booklet.
