Truly a day that
my family and I
will never forget.
This trip reminded
us of the beauty
of home.

How does a surprise road trip work?

Pick a Date

We recommend doing the trip within **6 months** of receiving this road trip. Pay close attention to the 'When To Go' within the 'Navigating the Road' section of this booklet.

Get Ready

The only requirement is having a vehicle, GPS and a driver. The trip is completely **self-guided**, so nothing needs to be booked in advance.

Check Updates

Before leaving, please check **travel updates** on our website. This will provide you with any major changes to the itinerary.

Pack Your Bag

Please refer to the '**What to Pack**' list in this booklet for items we recommend bringing with you.

Hit the Road!

Don't open the first envelope until you're ready to leave. Once you're finished at the first stop, you can open the second envelope. Four stops are included within your road trip.

Your day ahead! Without giving away too many details.

We often include a variety of recommendations at each stop. You do not have to go to all of them; pick and choose what works best for you and your travel mates. If you can't get through all of the stops during the day, come back and explore them at a later date!

Questions?

If you have any questions before your trip, please check out the FAQs on our website. If you can't find the answer to your question, please send us an email at questions@guesswheretrips.com.

Please note: We are out of the office over the weekend.

Pre-Booking Option

We include a variety of options on the fourth stop. One suggestion is an iconic garden that takes 2-3 hours to explore. If this is something you would be interested in we recommend pre-booking between 3-4 pm OR first thing in the morning and do the stops in reverse. **Quite often tickets can be booked last minute as well.** Tickets can be purchased by scanning below:

Frequently Asked Questions

How much will the stops cost?

First Stop: Our featured suggestion is free but takes donations. The other option has an optional entrance fee (\$); the grounds are free to explore.

Second Stop: No fee

Third Stop: No fee

Fourth Stop: Two suggestions require a fee (\$) to enter. We have provided a number of free alternatives.

**Please note: gas, tolls, and food may be additional costs.*

When should we leave?

We recommend leaving anytime between **9:30 and 10:00 am if you are leaving from the Philadelphia area.** If you are coming from farther away, we recommend leaving at 9:00 am. The later you leave, the less time you may have to complete all of the stops.

Can I bring my dog?

Unfortunately you will have to leave your furry friend at home for the day. There are a handful of places that don't welcome dogs, so your options would be very limited if they came along.

How long will the total trip take?

See the approximate **round-trip driving distances/times** below. These are driving distances only and do not factor in time spent at stops.

From **Wilmington, DE:**

1 hour and 13 minutes / 33 miles

From **Philadelphia, PA:**

2 hours and 5 minutes / 86 miles

From **Trenton, NJ:**

2 hours and 55 minutes / 145 miles

From **Baltimore, MD:**

3 hours and 30 minutes / 171 miles

From **Allentown, PA:**

3 hours and 35 minutes / 177 miles

**We recommend booking an overnight hotel if the driving distance is greater than 4 hours round-trip.*

How many people can I bring with me?

We recommended **bringing up to 5 people** on your surprise road trip.

If you're bringing a larger group, we highly recommend having one person in charge of booking reservations at restaurants and attractions in advance. Please see the previous page for a copy of the digital itinerary.

Is this wheelchair or stroller accessible?

First Stop: Our featured option is somewhat accessible. The alternative option is accessible.

Second Stop: This stop is accessible.

Third Stop: This stop has multiple accessible options.

Fourth Stop: This stop has multiple accessible options.

Risk

Get out on the road and have fun, but please be careful. Obey all road signs, never drink and drive, and use caution and common sense at all times. The risk of injury can be significant, including the potential for permanent disability and death. While particular precautions and personal discipline will minimize this risk, the risk of personal and emotional injury, illness, physical disability, or death does exist. Guess Where Trips Inc., its owners, officers, publishers, and agents assume NO liability for your actions or activities as a result of recommendations within this guide. You agree and acknowledge that you will do some, or all, of the recommendations suggested in this book with full and complete knowledge of the risk and dangers involved, and you agree to accept and assume any and all risks of any nature whatsoever.
