Pack Your Bag

Please refer to the '**What to Pack**' list in this booklet for items we recommend bringing with you.

Hit the Road!

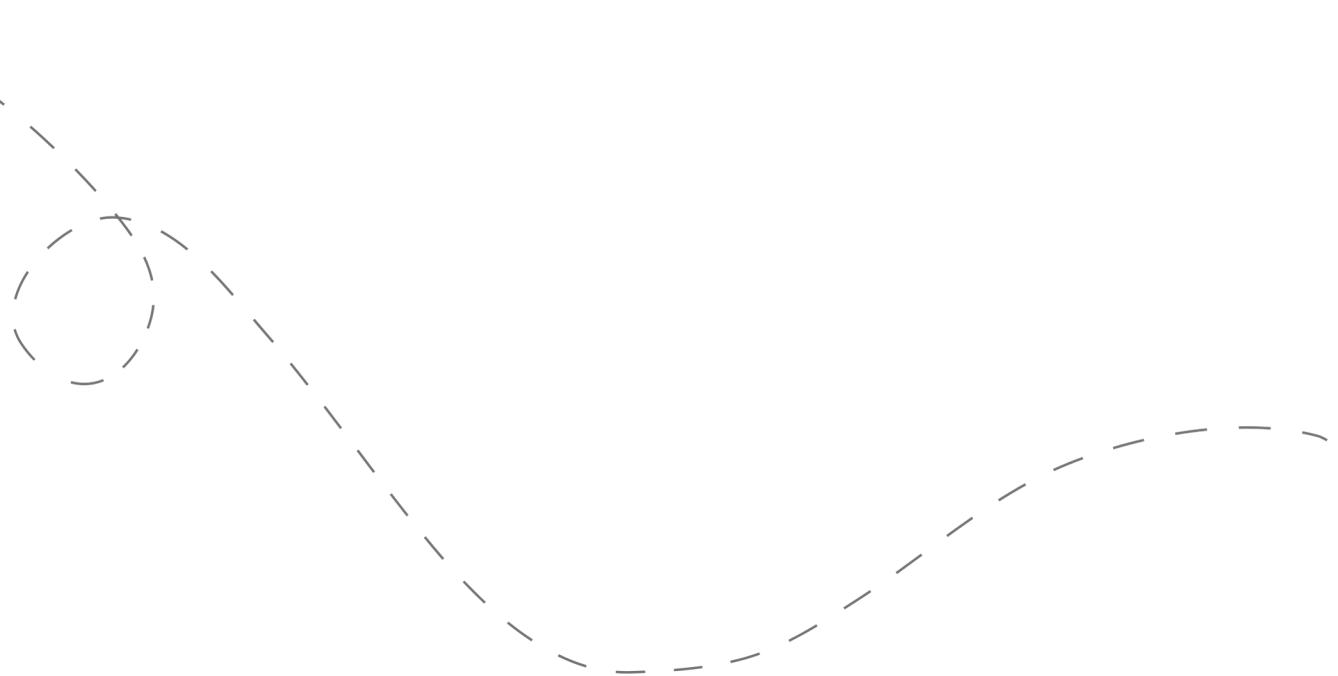

Don't open the first envelope until you're ready to leave. Once you're finished at the first stop, you can open the second envelope. Four stops are included within your road trip.

Land Acknowledgement

We recognize that some of the stops listed in this trip date back to a time when not everyone was free.

As we acknowledge slavery and its impact on our history, we recognize the profound inequalities and systemic racism it has bred. This horrific institution dehumanized millions, leaving lasting social and economic consequences. Confronting these truths allows us to reflect, foster dialogue, and work towards a more just society. As you travel, we encourage you to inquire about this history, and ask sites to prominently display their history and its ongoing impact, ensuring it is neither overlooked nor diminished.

Frequently Asked Questions

Tips & tricks if you're traveling in the fall...

Stops two through four can easily be walked. We recommend treating this as a walking tour if that is accessible to you and if the weather allows.

Parking: Please note that parking in downtown Salem in October can be extremely difficult, and lot prices may be higher than normal. This is why we recommend ensuring you get into Salem before 8 am.

Pre-booking: This trip can be done without going into any of the buildings or museums. However, if you're traveling during October and want to go inside any of the historical buildings we recommend having one person in your group read through all four stops and pre-book the attractions you're interested in.

We especially recommend making this an overnight trip, and doing all of the pre-booked attractions on one day, and your Guess Where Trip the next day.

**Please note: gas, tolls, and food may be additional costs.*

When should we leave?

We recommend leaving anytime between **9:00 and 9:30 am.** The later you leave, the less time you may have to complete all of the stops. If you're traveling in October, we recommend getting into Salem no later than 8 am.

Can I bring my dog?

This trip is somewhat pet-friendly! At every stop there will be at least one outdoor option for you to explore with your furry friend, but your options for heading inside shops, cafes, and museums will be limited.

Learn before you go!

Want to get in the spirit before you go? We recommend the listening and watching the following:

Podcasts: Witches Among Us (History This Week) and Unobsured (Season 1)

Movies: *The Crucible* (1996) and *Hocus Pocus* (1993).
