Not to be dramatic
but I went on one
of your trips last
weekend and
it was the best day
of my life.

How does a surprise road trip work?

Pick a Date

We recommend doing the trip within **6 months** of receiving this road trip. Pay close attention to the 'When To Go' within the 'Navigating the Road' section of this booklet.

Get Ready

The only requirement is having a vehicle, GPS and a driver. The trip is completely **self-guided**, so nothing needs to be booked in advance.

Check Updates

Before leaving, please check **travel updates** on our website. This will provide you with any major changes to the itinerary.

Pack Your Bag

Please refer to the '**What to Pack**' list in this booklet for items we recommend bringing with you.

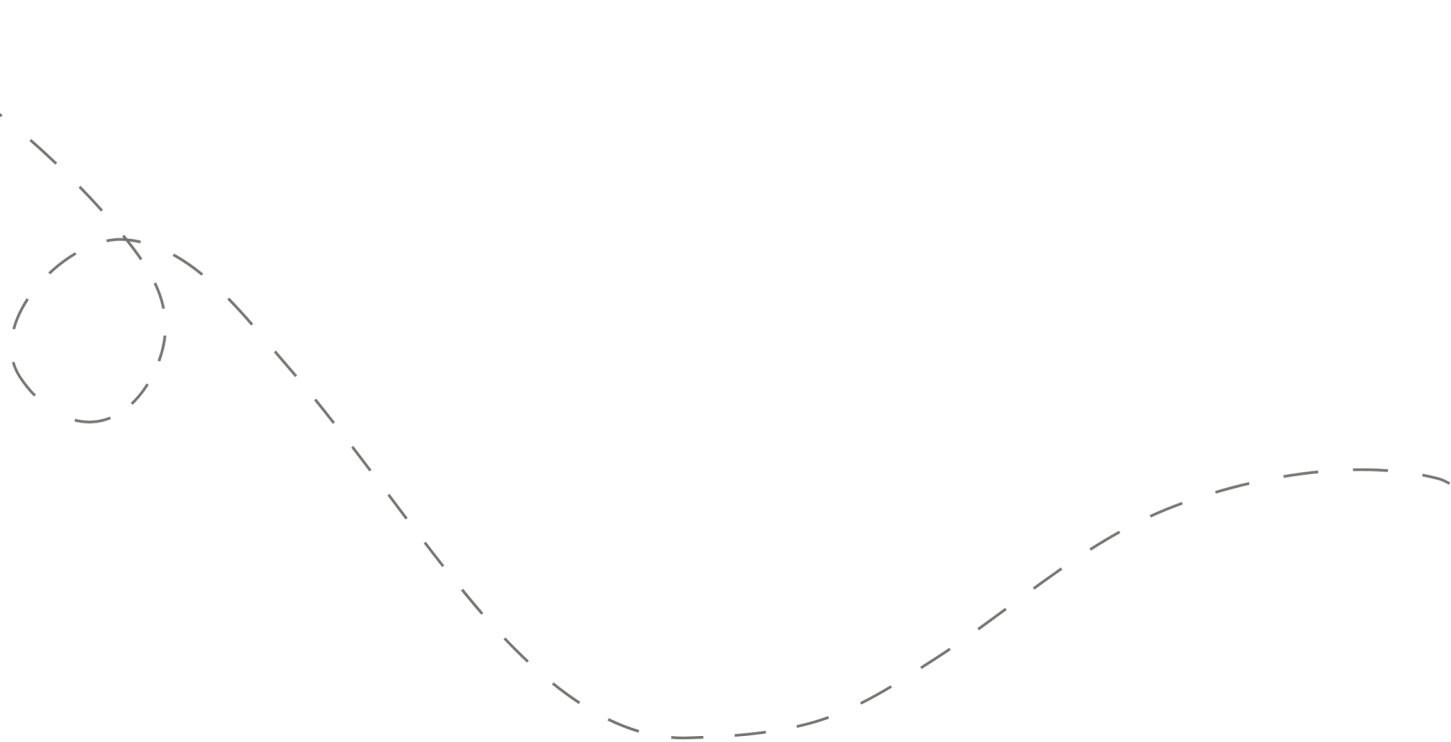

Hit the Road!

Don't open the first envelope until you're ready to leave. Once you're finished at the first stop, you can open the second envelope. Four stops are included within your road trip.

Your day ahead! Without giving away too many details.

We often include a variety of recommendations at each stop. You do not have to go to all of them, pick and choose what works best for you and your travel mates. If you can't get through all of the stops during the day - come back and explore them at a later date!

Questions?

Land Acknowledgement

We recognize that some of the stops listed in this trip date back to a time when not everyone was free.

As we acknowledge slavery and its impact on our history, we recognize the profound inequalities and systemic racism it has bred. This horrific institution dehumanized millions, leaving lasting social and economic consequences. Confronting these truths allows us to reflect, foster dialogue, and work towards a more just society. As you travel, we encourage you to inquire about this history, and ask sites to prominently display their history and its ongoing impact, ensuring it is neither overlooked nor diminished.

Frequently Asked Questions

We recommend leaving anytime between **9:00 and 9:30 am**. The later you leave, the less time you may have to complete all of the stops.
